Wolverines Lose Close Contest In Lovelock Battle

Will Go To Loyalton For Traditional Game This Week

A fighting, hard-hitting Tahoe-Truckee High School football team was handed a tight 20 to 13 setback by the visiting Lovelock Mustangs. The loss dropped the Wolverines to a tie for third place in the Nevada "A" division football standings.

Tahoe-Truckee's defense was better than it has been since the third game of the season was held the Mustangs or forced them to punt time after time. Outstanding play was turned in by the entire squad, but particularly good was Bob Trask ,Stan Rasmussen, Roger Holbrook and Jack Hotsenpillar.

The Wolverines showed terrific power on the ground but were hampered by timely fumbles and penalties. The aerial game, though not much used by the locals until late in the final period of play, showed signs of scoring ability.

Lovelock scored first after the Wolverines had moved to the Mustang's 16 yard line before losing the ball on a fumble in the opening quarter. Bob Winchell set the style for the visitor as he broke from scrimmage for 65 yards for the Mustang's initial TD soon after the second period began. Tahoe-Truckee tied it up at 7-all a few minutes later as Rog Holbrook bulled in from the one to cap a 40-yard Wolverine drive in which Holbrook, Bob Sanford, Bob Trask and Mike Hogan alternated at carrying the ball. Hogan ran the conversion.

Bud Winchell of Lovelock came right back to take the kick-off and race 75-yards to give the visitors a 14-7 halftime lead.

The third period was scoreless, even though the Wolverines moved into scoring territory time after time but they were never able to reach pay-dirt. Lovelock got its insurance TD midway in the final period as a pass play was good for 40 yards and a 20 to 7 lead.

Tahoe-Truckee was not ready to stop until the final gun, and with Rog Holbrook and Sanford passing to Bill Barr and Doug Cooke, they moved to the Mustang's 20 yard line with only seconds left to play. At this Bob Sanford, who had scored in all but two of the local games to date, electrified the crowd and brought them to their feet with a dazzling romp through the middle of the Lovelock team without a hand being laid on him. The conversion attempt failed and the Wolverines had lost 20 to 13.

To Loyalton

On Saturday the Wolverines move to Loyalton for their traditional intersectional with the Grizzlies of the Feather River loop. Coaches Jim Brehler and Dan Holub have indicated that they will stick with their semi-platoon system of offense and defense as used last week. This will be the final game for 12 graduating seniors on the Wolverine roster and the game will be dedicated to them. They are Tom Dolley, Mike Vieu, Bill Barr, Roger Holbrook, Mick Hogan, Bob Sanford, Jay Mandeville, Jim Crawford, Aaron Thomas, Bob Molsberry, Stan Rasmussen and Irwin Single.

ATHLETIC GROUP TO HOLD MEET MONDAY

Daven Morey announced that the first meeting of the season of the Truckee Athletic Club will be held Monday evening, November 7th in the Truckee Elementary School.

A basket ball schedule will be drawn up and the number of teams to be formed will be determined. Also under discussion at this time will be the coming ski season and the formation of a team sponsored by the club.

Officers for the new year will also be nominated at the meeting.

Any one interested in playing basket ball, volley ball or taking part in skiing events is cordially invited to attend the club sessions.

Waters Supplies Concrete For New Phone Building

Gerald Waters of Deer Park Lodge, near Tahoe City is this week pouring the concrete ready mix foundation for the new Pacific Telephone Company building to be erected in Truckee.

Adding to the lodge's activities, Mr. and Mrs. Waters are getting ready to open the skiing area on their property when the first snow flys.

RED CROSS MEET

A registration meeting of the American Red Cross for those wishing to participate in a first aid course under the direction of Mrs. Marie Henry will be held at the Tahoe Lake School at 8 p.m. Thursday, November 10th. Places for subsequent meetings will be decided.

Rotary Club Gives Hospital Donation During Meet Here

A check for $200 which will be used to pay for the new Polio Pack heater, a much-used piece of equipment for the Tahoe Forest Hospital, was presented to Administrator John J. McGlade by the Truckee Rotary Club at Monday night's meeting.

McGlade, who was guest speaker at the meeting, thanked the club in behalf of the administration and advised the donors that the equipment has been in use almost constantly since its arrival. The new heater is one of several donations given the hospital by the Rotary during recent years.

Much of the meeting was devoted to a discussion of matters brought out by District Governor Frank Gregory during his recent official visit.

In presenting the gift to the hospital Secretary Ed Grant declared: "The Rotary Club of Truckee is proud to be able to participate in such things and to be able to help make our hospital one of the most modern in Northern California. It is through such service that the individual Rotarian receives pleasure personally by helping his fellow citizen."

Vandalism Marks Halloween Tricks

Halloween pranksters exceeded the bounds of wholesome fun during the weekend and considerable damage was reported to local officers.

At least three dispenser coin boxes were broken open and an undetermined amount of money taken, a service station door was broken open, numerous windows at Fontana's Laundry were smashed and street lights in various parts of town were broken.

Paul Capel and Harry Digesti at Gateway Park and Dick Robart at Donner Lake reported thieves looted coin boxes at their service stations and Capel said the front door of his office was broken but apparently nothing inside taken.

Scores of motorists found air had been let out of their car tires and other instances of vandalism were reported.

The "trick or treat" crowds, however, enjoyed their brief evening outings and numerous parties were held for their enjoyment.

Two youths were cited for violating the curfew ordinance and others were apprehended in minor violations, Constable N. F. Dolley reported.

Mrs. Heller To Preside At Wyethia Meet Friday

Mrs. Charles Heller will preside at the November 4th meeting of the Wyethia Club, to convene at 8 o'clock. This will be the last meeting of the club year. Installation of new officers to be held on Saturday, November 12 in Smart's Restaurant.

Mrs. Heller, assisted by Mrs. Bruce Quartly will entertain officers and committee chairmen.

Mrs. Nace Fripo may be contacted to obtain reservations for the Installation Dinner.

CHEVROLET SHOW

Sarge Reynolds is inviting local people to stop by the Drinnon Chevrolet at Colfax tomorrow or Saturday for the showing of the new "hotter than ever" 1956 Chevrolet on display there. A free barbecue and other inducements are offered. Reynolds of Reynolds Motors in local representative for the Chevrolet.

CAR WRECKED

James B. Carter, 16, Truckee, escaped injury but completely wrecked the car he was driving near Kings Beach Tuesday evening at 9:40 o'clock. He was cited for speeding and being on the wrong side of the highway by Patrolman William Gautsche.

NEW BUICK

Clarence Osburn was in San Francisco today to pick up a 1956 model of the Buick for which he is local dealer at Osburn's Buick Garage. The new car will be on display at the local showrooms tomorrow and the public is invited to drop by and see it.

Another Delay On Ordinance, 2nd Deputy Reported

Action Expected At Meet Of Supervisors On November 16

The inability of Supervisor Jay Coughlin to be present at the meeting of the board of supervisors Tuesday was given as the reason for another delay in deciding whether on not a second deputy sheriff will be authorized for the eastern end of Nevada County.

Supervisor H. C. Loehr of Truckee said Coughlin, still suffering from an injury incurred several weeks ago, did not attend the meeting on advise of his doctor, but that he will attend an adjourned meeting November 16th when the matter may again be presented for decision.

The question has been delayed during the past several meetings of the board or since the budget was approved. Loehr said he has hopes the matter will be definitely settled November 16th.

Ordinance Delayed

Also again delayed was passage of an ordinance providing certain building restrictions in this area, designed to prevent construction of undesirable structures. Placer County passed a similar ordinance months ago when it was learned the 1960 Winter Olympic games would be held here and that as a result many housing problems would have to be faced and corrected.

Although the Nevada County ordinance is drafted along the same line, the board members are hesitant about putting it into effect, apparently because of restrictive clauses which might eventually prevent small subdividers from selling crowded lots where sanitary facilities are not adequate.

FOSTERS LEAVING FOR SOUTH STATE

Mr. and Mrs Kenneth Foster and children are leaving to make their home in San Fernando Valley.

Mr. and Mrs. Gilbert Kumle have bought the Foster house here.

Foster has been associated with the Truckee Tahoe Fuel Company here since its organization and will enter the tree surgery business in the south.

Firpo Home Is Scene Of Halloween Party

Friday evening, from 8 until 11 o'clock the home of Mr. and Mrs. Nace Firpo was the setting for a Hallowe'en party given by their children, John, Stephanie and Vicky. Hobgoblins were in evidence during the gay evening, the decorative scene in the traditional black with orange.

Fortune telling by Mrs. Lynn Kishbaugh with typical games and dancing added to the enjoyed affair.

Rebekah Lodge Has Busy Sessions Here

Leonore Vind, noble grand of Naomi Rebekah Lodge no. 2 presided at the Oct. 26 meeting when 8 members of Buena Vallas Rebekah Lodge of Loyalton presented the traveling gavel. The gavel is a symbol of close fellowship among the members, being taken from one group to another.

Mesdames E. Welch, Charles Heller, Robert Bick served refreshment after a short program of music and moving pictures.

Ruth Gross and Shirley Mae Hawkins are two new members initiated at the Oct. 12 meeting.

Mrs. Vind has requested that all members be present at the next meeting to be held November 9.

Victim Of Car Crash Treated At Hospital

Albert Jones, Baltimore, was treated at the Tahoe Forest Hospital for minor injuries and cited by State Patrolman William Gautsche after his car and one driven by Donald Hill, Yuba City, collided three miles east of Truckee Thursday night.

Jones was charged with attempting to pass without sufficient clearance. His car was demolished.

SUNBEAMS

By WALTER M. BARRETT

The question now appears to be whether or not we in this region desire and need an airport adequate to handle ships on scheduled flights. The Civil Aeronautics Administration has willingly complied with requests to survey the proposed site and verbally offered to lend any possible assistance. This means that at the conclusion of more detailed surveys and other primary steps, including acquisition of the land, that the federal agency will match local funds in building the installations needed. We believe such an airport would provide a tremendous asset to the region, but it is up to the people to determine facts, weight pros and cons and reach a conclusion. Most certainly, the port will not be forced upon us. Rather, we are going to have to make a concerted effort and provide a lot of work and raise a substantial sum of money. If the project is found to be worthwhile, then the task ahead is a real one, but one which should have good results for everyone in the region. Costs will be spread over a wide area and likely would not prove prohibitive, but whether we want to tackle the job is up to the people.

Second Graders Are Thrilled By Letter

An important envelope came to the children of the second grade of the Truckee Elementary School, taught by Mrs. Helen Trask, on October 30, post marked from Denver, Colorado with the return address: The White House.

The card within, topped with the golden eagle, said:

"The President and I are deeply grateful for your expression of good wishes and prayerful concern in his illness. I assure you your message has been most helpful to him."

Mamie Doud Eisenhower.

The children had earlier sent a message to President Eisenhower hopeful for his rapid recovery from a recent illness and the class individually signed the note of encouragement to their friend.

OUTDOOR GROUP TO MEET ON FRIDAYS

Starting Friday, November 11, the regular meetings of the Truckee Outdoor Sportsmen will be held on the second Friday of each month instead of the first Thursday as has been the practice in the past. The change was made, Vice President Charles Osburn said, to accomodate a larger number of the members and to avoid conflicting dates.

CHAMBER TO MEET AT SCHOOL TONIGHT

A meeting of the Truckee Chamber of Commerce wil be held tonight at 7:30 at the high school cafeteria and all members are asked to attend as a number of omportant issues are slated for discussion. Hal Welch, chamber president, will be in charge of the session.

OFFICERS BUSY AS TURKEYS SCATTER

State patrolman and local peace officers were having a tough time this morning attempting to prevent the looting of a truck wrecked just east of Donnor Summit. Passing motorists attracted to the scene found the cargo most inviting, particularly with the Thanksgiving season rapidly approaching.

The huge truck was loaded high with turkeys.

The driver, whose name was not immediately learned, escaped injury but the turkeys were widely scattered.

Truckee Couple Found Guilty Of Summit Attack

Sentencing Is Set For Next Thursday In Placer County Court

AUBURN— Superior Judge Lowell Sparks of Placer County has set November 10th as the date for the report of the probation officer and sentencing of Joseph Garcia and Julio Franco, both of Truckee, convicted of robbery and assault with intent to commit rape.

Both were found innocent on two counts of conspiracy to commit the two crimes for which they were convicted.

The jurors deliberated two and a half hours before reaching the verdict late last week following a four day trial.

The pair was found guilty of assaulting Mrs. Margaret L. Kirk of Los Angeles, widow of a Korean war flier, who was vacationing at a resort on Donner Summit last July. They were convicted of robbing the woman of cash and personal effects valued at $85.

FIRE DAMAGES HOME HERE SUNDAY NIGHT

Fire Sunday night at 7 o'clock gutted the Martin Johnson house across the highway from Coffey's Garage and threatened other buildings in the immediate vicinity before being controlled by the Truckee Volunteer Fire Department.

The house was occupied Saturday by a Mexican family which had just arrived here. Fire Chief N. F. Dolley said the fire started from an oil stove apparently because of the ignorance of the family to control the flow of oil. When the department arrived the entire interior of the house was aflame.

SUGAR BOWL STARTS OPERATIONS DEC. 16

NORDEN— Sugar Bowl will open all facilities December 16, manager Walter E. Haug announces. The chair lift, rope tows and Magic Carpet will operate on weekends prior to the official opening should there be sufficient snow cover.

Sugar Bowl Ski Club will host the National Senior Giant Slalom along with the traditional Silver Belt and other important competitions.

The ski school will be directed by Bill Klein and a team of qualified instructors.

In addition to the 10 runs from the top of Mt. Disney for experts, intermediates and novices, Sugar Bowl will have a new, two-mile run from Disney via Crow's Nest this year for beginners.

Little Returns, Learns Of Granddaughter Death

Richard N. Little returned Friday from New Hampshire where he was the guest of his son-in-law and daughter, Mr. and Mrs. Richard George and his two granddaughters.

The visit to the east was saddened by the death of the Georges year and a half old daughter, Judith Lee, the news reached Little the day he left on the trip.

Donner Dancers Will Start Season Friday

The first session of Donner Dancers for the fall season will begin on Friday evening, 8 p.m. on November 4th, to be held in the Veterans Memorial Hall.

Everyone is welcome to attend and a beginners class in square and folk dances will be started. No admission is charged to the weekly dances which are enjoyed during the fall and winter months.

Cub Scout Planning Meet Scheduled For Nov. 22

D. L. McGihon announced that a Cub Scout planning meeting will be held in his home on November 22 at 7:30 p.m.

Den mothers and committee members are urged to attend when it is expected to outline a program for the young boys.

California Cafe Is Sold To Crockett Couple This Week

Mr. and Mrs. Joseph Malloch of Crockett have arrived to make their home in Truckee where they have purchased the California Cafe from Mr. and Mrs. A. B. Polyanich. The new owners took over management of the popular eating place Tuesday and are inviting continued patronage. They have established their home in the Filipic apartments.

Tony and Mrs. Polyanich will continue to operate Tony's Cocktail Lounge in the same building adjoining the Bank of America, the Mallochs have the restaurant portion.

Malloch is a veteran of the recent war and served in the European theater. He currently holds the rank of captain in the army reserve.

Both are well pleased with their new location and extend a cordial invitation to drop in and get acquainted.

Action Asked On Trailer Problem

Considerable concern over the continued use of the banks of the Truckee river between here and Tahoe City by owners of house trailers as more or less permanent dwelling place has been again expressed.

The Placer County Planning Commission has been informed the Truckee river is being polluted by trailer occupants who establish residence along the river without sanitary facilities.

Howard Smith and Edward Grant, representing the U.S. Forest Service, appeared before the commission to suggest that Placer County take action. The planning board members suggested it might be a forest service problem since it owns much of the land along the river.

The County has an ordinance requiring trailers to spend nights at established trailer parks, but there is none along that part of the river in question.

The Placer County Health Department was requested to make a further study on the problem.

TURKEY SHOOT TO BE HELD NOV. 13TH

Plans have been completed for the turkey shoot being sponsored by Truckee Post No. 439, American Legion, to be held near Crandall's Hill Top Lodge Sunday, November 13, at 1 p.m. Everyone is invited to participate. A 50-yard range, with .22 rifles will be established.

On the committee in charge are Frank Quilici, H. L. Owens, Lloyd Everett, and John Rablin.

NEW AMBULANCE IS ADDED TO SERVICE

N. F. Dolley announced this week that he has purchased another ambulance which brings to three the number of such vehicles now available through the Truckee Ambulance Service. The new Pontiac is, like the others in service, equipped with all the latest apparatus, including oxygen masks, for the care and convenience of patients.

Dolley proposes this winter to keep one ambulance on Donner Summit at Soda Springs, a second in Squaw Valley and the third here to expedite services in the area.

Popular Young Couple Here After Marriage

Mr. and Mrs. Mickey Williams, popular couple in the younger set are continuing to make their home here, following their marriage two weeks ago.

The bride is the former Millie Pugh and has been a resident here for the past year.

Williams is the son of Mr. and Mrs. K. T. Williams of Truckee.

Donner Troop No. 3, Girl Scouts members are again selling cans of fresh salted and mixed nuts, before the holidays.

The proceeds will be used to send a Girl Scout to summer camp.

CAA Looks With Favor On Site For Local Field

Officials Offer Assistance In Providing For Facilities

If this far-flung community needs and wants an airport capable of accomodating the DC3 type planes, there seems to be no doubt that it can be obtained with the approval and full cooperation of the Civil Aeronautics Administration.

This favorable conclusion was reached Monday following a survey of the proposed field southeast of here on the Brockway cutoff. Officials of the CAA arrived here Monday on the invatation of Congressman Clair Engle and, accompanied by a local group, visited the field and made a summary examination of its potentialities.

Following the visit to the area proposed for the landing field, the officials declared themselves satisfied with their findings and expressed a willingness to cooperate in every possible way with local organizers. A flight test of the area was made Tuesday and the officials returned to Los Angeles.

Has Advantages

With the exception of the expanse of Lake Tahoe, over which landings and takeoffs would be possible for larger aircraft, the local field in many ways surpasses the site which had previously been scanned by the CAA at the south end of Lake Tahoe.

The inspectors included T. E. Flaherty, district airport engineer, Air Carrier Agent Lee E. Bishop, a veteran test pilot and George Gary, CAA engineer. They were accompanied to Truckee by F. W. Robinette, CAA safety agent from Reno. Bishop particularly expressed himself as pleased with the field prospects, terming it the best he had seen in this entire mountain region.

Not Partial

It was made clear that the CAA is not favoring any particular high Sierra site, but is rather anxious to have one in this general vicinity. Further and more detailed surveys will be made in the near future so that if the district desires, it will have the full support of the federal agency which would match local funds in providing necessary facilities.

Local men participating in the survey and the following discussion included Hal Welch, president of the Truckee Chamber of Commerce and member of the Rotary Club, one of the project sponsors; H. G. Loehr, member of the board of supervisors; C. Edmunds and Jack Neugebauer, representing the Truckee Public Utility District and Walter M. Barrett, local publisher.

A survey of the site was requested some time ago by Congressman Engle. The congressman, although advised by the CAA that the only suitable site found in the region was at the south end of Lake Tahoe, again asked the CAA for a closer scrutiny of the Truckee site.

As a result of this instance, the group arrived for the initial survey and the results quickly discounted circulated publicity that the federal agency favored the south Tahoe site over Truckee and North Tahoe.

It was further emphasized by Flaherty that progress in securing and developing an airport here is just as far advanced as at the south end.

Necessary Steps

Necessary steps to obtain an airport were outlined by Flaherty as follows:

1. A detailed survey of the field and surrounding area must be made.
2. Ownership of the required land must be obtained.
3. The project must be supported and sponsored by a political subdivision — county, city, district or a joint sponsorship of two or more political subdivisions.
4. Application for federal participation must be approved by the CAA, which will provide 54.22% of the cost. The cost was estimated at $500,000 to provide the necessary field and facilities.

Booster Club Meets At Donner Lake Tonight

The Booster Club, an enthusiastic group formed to encourage high school athletic events, from Kings Beach, Tahoe City, Donner Summit and the Truckee area will hold a dinner at Donner Lake Lodge this evening. More than 50 reservations had been made earlier in the week.

Mrs. Ed Trask, who has been named as the best booster of the year, and coach Jim Brehler will be feted guests of the event.

Son Is Born

Clyde Edward Brantley made his appearance at the Tahoe Forest Hospital at 12:20 a.m. Friday, October 28th. He is the 5-pound son of Mr. and Mrs. Clyde M. Brantley, the former employed by George Kaspian. Dr. L. D. Nelson was the attending physician.

AFFAIRS OF STATE
by Henry C. MacArthur

SACRAMENTO —(CNS)— The 1956-57 budget of the state highway commission indicates that at least, the group is attempting to carry out the mandates of the state legislature in getting its best licks in on the freeway system. Thus, the areas of the most use are getting the major portion of the gasoline tax money to build new roads.

The lot of the highway commission about this time of each year is not a particularly happy one. In forming the ensuing year budget, the commission is beset from all sides on behalf of regional roads and freeways.

These are important to the people of the community, and the highway commission knows of this importance, but the fact remains, there usually is not enough money to go around.

Consequently, the commission is forced to adopt these budget items which in the long run will give the greatest good to the greatest number of people in the matter of using roads. And frequently, the selection is not hailed with joy in the communities which have sought roads and been shunted aside on behalf of areas where the need is greater.

Actually, the commission is 'pecking away' at the road needs of California at the present time, because the demand is, has been, and will be greater than the money available to obtain the highways required to match the growth of use in California.

When the new gasoline tax was adopted by the legislature, it was clear that body wanted a system of freeways throughout the state. The new 1956-57 budget advances this plan by making all but a few spots in U.S. 99 from Los Angeles to Sacramento, a four-lane route. This, coupled with improvements in U.S. 101, on the coast, will give a north-south four-lane highway for about half the length of the state.

On an east-west basis, however, the problem of a four-lane route across the Sierra Nevada remains a problem. Even so, the commission is whittling way at it by adding a few miles here and a few miles there to the freeway. The next budget will extend the route east. of Colfax, and the commission will start driving westward from the Nevada state line with several miles of four lanes.

This means, in effect that the most expensive construction on U. S. 40, through the Sierra Nevada's highest reaches, and the area where the most congestion exists at the present time, will be the last of the transcontinental route that the commission will tackle.

It also means that the commission probably is hopeful there will be some federal funds available to implement the work in the Sierra on the basis that the highway is a defense necessity.

The commission is not to blame for the ancient political method of allocating some of the state's highway funds, i.s., to counties of the state on the basis of gas tax collected and population.. This is the method written into the law by the state legislature, and probably it will remain there as long as politicians instead of businessmen direct the policies of the state government.

If funds could be allocated solely on the basis of use of the highways, it is not doubted that the major freeways could be constructed much quicker. Such an allocation would carry out the principles that public funds should be used for the greatest good for the greatest number of people.

BROWN RULES ON WATER PROBLEMS

SACRAMENTO (CNS)—Attorney General Edmund G. Brown ruled today that a county of origin asserting water rights reserved to it under the water code must pay for projects which may be needed to put the water to use within the county.

But, Brown added, the county need not reimburse outside agencies or owners of projects previously used to export surplus water from the county. Brown included such projects as storage reservoirs, dams and canals.

The opinion was a follow-up on Brown's earlier opinion on counties of origin in which he held that present law protects a county of origin from deprivation of water necessary for its development under certain circumstances.

The new ruling, Brown said, does not confer upon counties of origin any rights to physical structures or project works which may exist. The agencies which originally constructed them remain the lawful owners, he said.

The opinion was requested by Joseph Maddux, Sonoma County district attorney.

915 PATROLMEN ARE SOUGHT FOR STATE

SACRAMENTO— The 1956-57 budget of the California State Highway Patrol asks for 915 more highway patrolmen.

It also provides for 45 more lieutenants and 208 additional sergeants at a total extra cost of $6,600,000.

The budget is to get first consideration by the State Finance Department Thursday. Extra clerical positions are also requested to make a total of 1,270 new positions.

Gov. Knight asked last year for 320 more patrolmen and the Legislature approved 154.

"State Farm promises efficient, fast claim service... and that's what I got!"
writes car owner W. L. Leemon of Decatur, Illinois
"My wife was injured and my car demolished in an auto-train collision miles from home. Next morning, my State Farm agent drove over, handled everything. By 2:30 P. M., my wife was resting comfortably and I was back at work with another car. "I have just two words to describe State Farm—THE BEST!"
More car owners insure with State Farm Mutual than with any other company. And for the same reasons Mr. Leemon does: fast, friendly service . . . rock-bottom cost.
Wouldn't you like the complete story of State Farm service and economy? Just give me a call!

NORTH TAHOE

By JUDGE HARRY CHARRISON

No More Bites

Well, the mosquito pond at Tahoe Vista is just about a thing of the past. For many years the complaints were numerous but for several weeks now the trucks have been filling it in until at the moment there is only a wee bit of water left. What a choice spot it is, right on the bend at Silver Sands Resort.

Off To Iowa

Of all things, the Tahoe Food Center, of Kings Beach is closing at the end of this week and of all things it will not be open till early spring of 56. Wendy and Ginger Schumacher are to visit at Waterloo, Iowa, where Ginger's mother and dad and sisters are living. It will be wonderful for them, but how's about leaving us to get along without them. We shall miss them, that's for sure. See you in the spring, and thanks folks for everything.

Still Roaring

Another inspiring meeting of the Lake Tahoe Lions was held last week at the Crystal Bay Club. Three new members were introduced into the club by Immediate Past President Walt Mandeville. the new comers to lionism were Walter Speeter, of Carnelian Bay, Grant Lowry, Sr., Grant Lowry, Jr., of kings Beach. It was most impressive to have a father and son join on the same night. Tentative arrangements are being made to visit the South Lake Tahoe Lions club on Monday, November 7th, which it is hoped, will also be ladies night.

That's the Berries

This is the 29th day of October, and how beautiful it is. At noon the temperature is 65 and Mrs. John O'Connor has just walked into our home with strawberries as large as a walnut and ripe too. Strawberries at Tahoe you say, well, to tell you the truth, there is nothing we haven't up here. Our neighbors visiting, sitting on the lawn. The School bus has just left for Truckee where the Football Team will play the team from Lovelock. The sun is brilliant and above all the air is as clear as can be. Yes, I can hear you say, why did we leave so soon? Well, just remember next year.

On the Move

Meredith and Dee Siple have just returned from a trip to Burney where they visited with Dee's Nephew, Dallas Kalbaugh, and his wife. Dallas is in the oil business there, and no sooner they get back there, off they go to Florida. They intend to take a leisurely trip by road, they will also see Robert, son of the Kalbaughs, who is in training at Pensicola to be a pilot. The Siples hope to be back at the Lake by thanksgiving.

Out

The Charlie Mangs of Villa Vista Resort have closed and have already gone to Sacramento where they will spend the winter, but intend to be up once in a while.

Visitors

Spent a very pleasant evening with Jim Wilson last week. Jim is a representative of an insurance company at Sacramento. We left the ladies home while Jim and I had a delightful dinner at Joby's Monte Carlo, where we were received with the same courteous attention, even though Joby and Helen were down in Los Angeles for a week. Mr. Wilson proved to be a very entertaining personality, and we found his stay all too short.

Where Oh Where

We have not heard from Charlie and Rena Matthews for a long time but I think they are still in Santa Barbara. We lost the address and have not written for some time, so Charlie, write us when you get this issue of the Sierra Sun.

Closed

Now, I see the Buckhorn is all closed up tighter than a drum. It didn't take Tom Sutton long to follow in the footsteps of Theresa. Loynds drug Store is also closed. Didn't notice it 'till today. Ah well, now it the time for the home parties to get going and they do just that. After the hard summer we can relax in someone else's home, but our own, all the women's clubs, etc., are in full swing already.

Tripped

Dick and Ruth Lavery had quite a nice trip way up to Klamath Falls, and by all accounts saw some wonderful scenery, but not quite as picturesque as the Lake Tahoe area. They especially enjoyed their trip along the Redwood Highway.

Birthday

Mrs. Glunt informs me that Mrs. Jessie Hale, who lived at Kings Beach for many years is sick in Berkeley and says it would be nice if as many of her old friends would send a card on the occasion of her birthday on Nov. 8th. The address is 2555 Fulton St., Berkeley 4, Calif. You will just have time to get it there by that date Nov. 8th. It would cheer her up no end I am sure.

Fishing

Roy Porath was telling me of a very interesting fishing party, and that party was Don Barkhurst, Gene Faulkner, George Ridgway. Charlie Cagle, Roy Porath, Wayne Philippi, and tom Lucas. Friday they caught 7 salmon and 2 rock cod and Saturday lost two fishermen, Tom Lucas and Charlie Cagle, by the seasickness route. Also Saturday, caught 5 salmon, and Tom Lucas acquired a brand new Buick.

Party

The Halloween Party held at the school house last Friday night was a humdinger. The parents dressed up as much as the kids, but didn't get prizes. In the childrens division, the prizes went to the following: first prizes to Jimmy Hallahan, Brenda Hallahan, Vickie Russei, and Linda Draney; second prizes, to Calvin Felte, Dianne Lausche, Darrell Lausche, Kim Molsberry and Curtis Draney. Baked beans, hot dogs and salads were the main dish, with ice cream for dessert. It was a gala evening with balloons and fun makers for all.

V. F. W.

The affair held by the V. F. W. at Crystal Bay Club was also a huge success with Ray Plunkett, commander of this area, and Ethel Antonson president of the ladies auxiliary, in charge of arrangements.

Women's Club

The North Tahoe Womens club held their regular meeting at the Home Cafe Monday. Dot O'Brien put out a delicious luncheon for a well attended meeting. The meetings will be held regularly now that the winter season is here.

The California Legislature of 1868 offered a bounty of $250 for every plantation of 5000 mulberry trees two years, and one of $300 for every 100,000 merchantable silkworm cocoons.

Floyd Carnell who was stricken with double pneumonia last week was sitting up in bed at Tahoe Forest Hospital but will have to take it easy for a while, according to Mrs. Carnell. The Tahoe City couple had returned from Sacramento a short time before Carnell was taken sick.

SIERRA SUN ADS PAY!

Father Injured

J. D. Stallard of Marysville, father of Roy Stallard, Truckee highway patrolman, was treated for injuries during the weekend when a car he was driving crashed into a railroad signal at Marysville, completely demolishing the vehicle. The injuries were of minor nature, according to word received here.

With the new Chevron Pressure Primer System on your tractor, truck, or other heavy duty equipment, it takes just two or three seconds to get fast, sure starts. Chevron Priming Fuel in handy, small pressurized steel bulbs, a simple discharger mounted near driver, and a few feet of tubing make up the easy-to-install Chevron Pressure Primer System.

A one-man operation, the Chevron Pressure Primer System is safe and economical, costs just a few pennies per start. And it more than repays its low cost by saving your batteries and reducing crankcase dilution.

To avoid ice-clogged fuel lines, be sure to add a little Chevron Ban-Ice® in your engine fuel tank.

Truckee Needs IT

Truckee - needs a service station where it can refuel with ideas and get back on the road that is going somewhere.

Truckee - needs a salesman who can sell, not merely clothes and shoes and house-hold necessities but the community itself and sell it every day.

Truckee - needs a promotor of human values- those things which make our community a better place to live in, a happy and attractive place - for strangers and neighbors.

Truckee - needs a point of view from which to take the long look and the vision to plan ahead and work for the future.

Truckee - needs the Chamber of Commerce and the Chamber of Commerce needs YOU.

Tahoe-Truckee School District News

TRUCKEE ELEMENTARY

KINDERGARTEN— We had some attractive masks to greet us last Friday morning. A leopard, a superman, a spaceman and a pirate paraded through our room. They turned out to be no other than Michael Daves, Michael Borden, Bill Cardinal, and Jerry Neugebauer.

FIRST GRADE— The first grade has been learning games to be played indoors during rainy or cold weather. The children have been bringing records to school to be used for these games. Kathy Braach, John and Charles Collier have records. We have a new boy, Ricky Clarke, in our room.

We had our Halloween party on Friday. Mrs.. Vind, Mrs. Ingalls and Mrs. Kehm helped with the party.

SECOND GRADE— Some of the skills we learn in physical education in our grade are; catching and throwing large balls, somewhat accurately; running to a given mark and back without stopping, hopping, skipping, jumping, knowing words, music and action when playing singing games. Diana Pankoke and Eileen Olson brought their batons and entertained us.

We enjoyed the Halloween party which our room Mothers gave us.

THIRD GRADE— The third grade challenged the fourth to a most exciting softball game Thursday. The fourth won by a good margin. We congratulate them. Another game is planned soon.

FOURTH GRADE— Fourth graders chosen to represent their grade in the softball game with the third grade were: Catcher, Steve Besio; pitcher, Kary Kielhofer; first base, Leonard Hensley; second base, Wayne Aterburn; third base, Joe Charlie; short stop, Ronald Brown; right field, Richard Sorani; center field,, Robby Kaspian and left field, Billy Carter. Alternate players were: Carolina Urbina, Jim Randall, Jamie Hamilton Dick Ingalls, Maria Elena Marin, Jack Aterburn, Bobby Frates, and David Notley.

FIFTH GRADE— Recently the fifth and sixth grade boys competed in a game of baseball. The final score for the game was 7 to 4 in favor of the 5th graders.

Last Wednesday the fifth grade girls were defeated in baseball by the sixth grade girls, by a final score of 8 to 4.

SIXTH GRADE— J. C. Roberson's relay team defeated the team of Wade Hensley and April Lander. Terry Walker and David Ayala proved more nimble in a dodgeball event.

Linda Giovannoni's softball team bested Patsy Jensen's in a fifth versus sixth grades contest.

Dee Dee Frates and Terry Ellis were the first to win tickets for selling the most tickets to the spaghetti dinner held last week at the elementary school.

The class sincerely thanks Mrs. Edward Frates and the class mothers for the party last week.

TAHOE LAKE SCHOOL

Kindergarten - 1st First graders Armen Abrahamian, Vicki Jones, Johnny Carnell, Barbara Broyles, Jon Kehlet, Marcia Esmond, and Tommy Barr have finished their first pre-primer. All the first graders mastered the technique of spacing between words in their printing lessons this week. Star printers are Marcia Esmond, Chris Beavers, Johnny Carnell and Vicki Jones.

3rd and 4th Grades: We have been writing original stories. Susan Stout wrote several good stories; Joe Hoxie wrote one about Ogg, the dog; Howard Cincotta wrote a story about Pat, the cat; Erica McLane wrote a story about Why I Like Tahoe. We are finishing our social study books and getting ready to see the winner.

5th and 6th Grades: All the children of the school enjoyed the annual Halloween party given by the Tahoe Lake P.T.A. Mrs. Naomi McLane was chairman of the event. Prizes were given to the children for the most original, the prettiest, and the funniest.

The children decorated the room with Halloween masks under the direction of Mrs. Farr, who has been giving them art lessons.

Friday afternoon, we were guests in Mrs. Farr's room, and saw a movie about the honey bee. We returned to our room to discuss what we saw and then wrote stories about it.

Kings Beach

Kindergarten and 1st Grades— This week three children left our class. Gail Landis moved to Reno, Eddie Salas went to Las Vegas and Jimmy Fisher moved to Palo Alto. We hope to see them all in the spring.

First grades who finished their color booklets are David Hughes, Kathy Chastain and And Thompkins.

2nd and 3rd Grades—Thursday the entire class went on a field trip to the Windmill Dairy at Minden, Nevada. We were fortunate as the weather was ideal for the excursion. Mr. John Allen showed us through the dairy. We learned how butter was made and packaged and how powdered milk is made. We saw a machine wax the milk cartons and glue the sides of each container. Mrs. Harvey Klitzske and Mrs. Bill Althof accompanied the class and we ate our lunches on the Minden park.

4th, 5th and 6th Grades—The window decorating contest sponsored by the Kings Beach Lions Club is over, but as yet the winner has not been announced.

Alen English and Daryl Brooks received packages of literature from the Shell Oil Company as part of their unit study of oil.

Parent conferences are under way and proving worthwhile. Our parents are interested in both the school and their children. Parent conferences will continue through this week.

COUNTY GETS SHARE OF ROAD USE TAX

SACRAMENTO— (CNS) Nevada county received $21,473 as its share of the $5,860,485 September appropriatement of highway users taxes to counties, State Controller Robert C. Kirkwood announced today.

A total of $24,909,884 in highway users taxes were distributed during the month. In addition to the county appropriatement, $2,300,776 went to cities and $16,748,623 to the state highway construction fund.

San Francisco had the nation's first underground garage -- Union Square.

NOTICE FOR PAYMENT OF COUNTY TAXES

The taxes on all personal property secured by real Property and one half of the taxes on all real property for the fiscal year beginning July 1, 1955 and ending June 30, 1956, will be due on November 1, 1955 and will be delinquent on the 12th day of December, 1955 at 5 o'clock P.M. and unless paid prior thereto six per cent will be added to the amount thereof. The remaining half of the taxes on all real property will be payable on and after the 1st day of February, 1956 and will become delinquent on the 10th day of April, 1956 at 5 o'clock P.M. and unless paid prior thereto six per cent will be added to the amount thereof, together with a further charge of $1.00 for each lot, piece or parcel of land seperately assessed and for each assessment of personal property.

All taxes may be paid at the time the first installment as herein provided is due and payable.

Taxes are payable at the Treasure's and Tax Collector's Office, Nevada County Courthouse, Nevada City, California.

ELMA HECKER
Ex-officio Collector and County Treasurer, Nevada City, Calif.
D8-6T

NOTICE OF SALE UNDER LIEN

NOTICE IS HEREBY GIVEN that on Saturday, the 19th day of November, 1955, at the hour of 10:00 o'clock, A. M. at the premises known as Skyline Lodge, situated on U. S. Highway 40, near Emigrant Gap, in the County of Nevada, State of California, the undersigned will sell at public auction the following described personal property, to wit:

2 - Two wheel trailers
1 - 1941 Ford Coupe automobile, 1955 Utah license number DP-258
Motor number 18-5641127
1 - 1941 Chrysler 4-door sedan automobile, green, 1955 California license number 4A8563
Motor number C28-39764
1 - Air compressor
1 - Battery charger
1 - 1936 Ford Pickup automobile, Engine number 183237474, 1955 Utah License number 3040 (?)

Said auction and sale will be made under and by virtue of Sections 3051, 3051(A) and 3052 of the Civil Code of California and Sections 427 and 428 of the Vehicle Code of California, for the purpose of satisfying the liens of the undersigned on said property.

Dated this 28th day of October, 1955.

FRANK LOURENCE
EVA DOHRING
N3-10

Captain Juan Bautista Anza, who led a colony from Sonora, Mexico, to found the persidio of San Francisco in 1776, is knwn as the "Father of San Francisco."

CHURCH NOTES COMMUNITY METHODIST

Rev. Osman said he felt pleased with the way the "Friendly Beggar" program turned out on Halloween. He wished to thank the community for its cooperation. There were some mistakes made that can be corrected next year, however. Any homes that did not receive a call from a "friendly beggar" that expected one, please call the church and arrangements can be made to pick the material up.

The Intermediate Fellowship, persons in the th and 8th grades, will meet again on Sunday evening at 5 o'clock.

The High School Methodist Youth Fellowship will meet at 7 P. M. on Monday evening.

Rev. Osman wishes to thank the Rotary Club for its part in assisting the church in financing the MYF and Sunday school parties over the weekend.

Sunday, Rev. Osman will offer as his message at the morning worship service the "Good News of Truth."

Lake Level

TAHOE CITY— With only two gates open, the level of Lake Tahoe has dropped to a low of 6224.94 feet, according to Art Frodenberg, cooperative observer. Weather at Tahoe City has been typical, with no precipitation since last Wednesday and the temperatire ranging between a low of 28 and a high of 58.

To Japan

Mayor and Mrs. H. H. Hendren of Sacramento and well known Donner Lake residents part of each year will attend the third annual Japan-American Pacific Coast Mayors Convention in Japan, November 12 through the 22.

NEWS NOTES FROM TAHOE

by Ethel Joslin Vernon

Autumn Weather

Over th week end real Autumn weather prevailed. The wind kept switching back and forth, blowing for an hour from south-west storm direction, then from the east again just long enough to blow away all the clouds. Since the middle of last week just about all the bright Autumn leaves have been blown from the trees, or have fallen, and they now make a deep rustling carpet under the balm-of-Gilead trees along the Cliffs, or go racing down the highway in the wake of speeding cars.

Light Winter

All the woods signs this fall point to a light - and probably late winter. On the yellow pine trees there are practically no cones hanging, and the sugar pines have only a scattered few which are about half size and still closed tight. The lodge-pole pines, which at this season are usually full of tiny cones, have only scattered buds showing. The squirrels and chipmunks who are usually scurrying madly about with pouches bulging with pine nuts, are not working at all yet, - just sitting on rocks and stumps in the sun, munching away contentedly and not seeming to "care whether school keeps or not." So, according to old timers' and Indians' signs, it looks like a light winter.

Tree Harvest

One more sign (unofficially) of a light-late winter - although its doubtful if these signers know they are signing at all - is that the Christmas tree harvest is getting started at least two weeks late this year. We noticed the first loads of trees going through town only three days ago, and heard that the harvesters are just beginning to cut in the forests back of Tahoma to the south, and about the foot of Mt. Pluto over to the north-west. C.S. Beavers of this city, who cuts trees regular each fall, just received his permit this week and will start to harvest right away.

Rotary Meets

M.Vandersmitzen, superintendent of the Children's Home at Carson City, was guest speaker at the dinner meeting of Tahoe City Rotary Club at Bacchi's Inn October 25th. He gave a brief history of the Home formerly known as the Orphanage and recalled a number of personages who had grown up in the Home to become outstanding business men and women.

Vandersmitzen then called on Jerry Smith, of the Home, to show photographs and describe his aeroplane trip to San Francisco as a guest of the U. S. Navy. The trip which included seven other high-school boys was sponsored by the Reno Rotary Club.

Bill Conners, past president of the club, presided in the absence of President Vernon Bartell and Vice-president Bob Wray. Present at the meeting were 28 members and two visitors.

In Hospital

Floyd Carnell, Local painting contractor, was taken to the Tahoe Forest Hospital last Thursday morning, where examinations proved his illness to be pneumonia. He was immediately lodged in an oxygen tent and the usual treatment was begun. Word from the hospital on Sunday reported his condition much improved, and still on the upward trend. However, physicians estimated he would need to remain under treatment for about ten days longer.

Party Success

The students' Halloween party and masquerade, held at the Tahoe Lake school on Friday evening, Oct. 28th., was a delightful success. All the parents, friends and relatives from Tahoe City and ajoining localities attended, and all parking space within a block of the school was packed completely. Prize for best girl's costume of the evening went to Jayne Shontz, young daughter of Mr. and Mrs. Jay Shontz, who masked as a Chinese Lady. A notable runner-up in the contest was Miss Patsy Cook in Gypsy costume, and two very cute little "clowns" were the Starratt sisters, little Anne and Sally.

Shower Party

Mrs. Doris Clarke, in her Tahoe Pines home one evening last week, was hostess at a belated shower party honoring a friend and neighbor. The honorees for the occasion were Mrs. Grace Gehlert and her new baby daughter, Susan Jo. A house full of guests attended and

Tahoe Items

Mr. and Mrs. P. R. Murray who have been at Tahoe Vista since returning from a European four earlier in the summer are now at their home at Merced.

Mrs. Fern Schleuter left Tahoe City for Oakland earlier in the season and has returned from a trip through Wyoming, Idaho, Washington and Oregon.

Mr. and Mrs. William Reinhardt, mother and baby received many beautiful and useful gifts.

Daughter Born

Word reached Mr. and Mrs. George Holt of Sunnyside this week, from their son Fred in his Valley home, that the Holts have just become grandparents for the first time. Mr. and Mrs. Fred Holt during the past week became the parents of a fine healthy daughter. Mother and baby are reported doing well, and the youngster has been named Lynn Jenifer.

Ski Club Meets

Last weeks' meeting of the Squaw Valley-Lake Tahoe Ski Club, the third for this season, was held on Thursday evening at the home of Pat Riley on the Squaw Valley slope. President Bill Briner presided over an attendance of 28 members, and minutes of the last meeting were read by the club's secretary Lucille Huega. No new busness was presented, and discussions mainly concerned plans for events to be held at the time of the coming Olympic Games in the winter of 1960.

Open Store

On Thursday, Friday and Saturday the new business of Jay Shontz of Tahoe City is having its grand opening at Westfield Village at Reno. According to Mrs. Shontz Frank Titus of Truckee is not only managing the Reno store in the absence of Shontz but is also a full partner in the drug store.

summer Brockway residents sent the announcement of their address change from San Marino to Pasadena, Calif.

Mr. and Mrs. George Kehlet of Meeks Bay have left for their usual winter sojourn at Palm Springs.

Lunber accounts for 60 per cent of the wood used in the United States.

Here it is for '56—
Best Buick yet

When better automobiles are built Buick will build them

It comes upon the heels of the most successful Buick in history—and beats it on every score.
In shimmering steel and solid sinew, it's Buick for 1956—and there's never been anything like it for pure automobile.
You get a good hint of what we mean when you take in its sweep-ahead styling—from the air-splitting prow of its V-front grille to the robust rake of its canted rear profile.
You get an even better hint when you open the doors and see the dazzle there.
But it's when you put this beauty to the city streets and the open highways that you learn the best of it.
For here is performance without parallel. A new advance in Variable Pitch Dynaflow* goes airplanes one better—steps up your getaway in normal driving *without* switching the pitch. But when you do need that extra surge, it's there *instantly*—and in extra abundance.
The might of big 322-cubic-inch V8 engines in *every* Series brings new record high power to all Buicks—Roadmaster, Super, Century, and the bedrock-priced Special. And to handle such dynamic driving power, the whole rear end has been endowed with extra brawn and heft and solidity.
We could spread before you an acre of blueprints on the engineering gems that spark the spectacular performance and ride and handling and roadability of these great Buicks for 1956.
But you can get the full and magnificent story right now, at our showroom, in a face-to-face meeting with the best Buick yet—now on display, and setting a dazzling new pattern for 1956.
*New Advanced Variable Pitch Dynaflow is the only Dynaflow Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

NOTICE OF INTENTION TO ENGAGE IN THE SALE OF ALCOHOLIC BEVERAGES

October 27, 1955

To Whom It May Concern:

Subject to issuance of the license applied for, and commencing not less than 15 days after the date posted, notice is hereby given that the undersigned proposes to sell alcoholic beverages at these premises, described as follows:

Donner Summit Lodge N|S Hgy. 40, Soda Springs, Nevada County, Calif.

Pursuant to such intention, the undersigned is applying to the Department of Alcoholic Beverage Control for issuance by transfer of an alcoholic beverage license for these premises as follows:

On-Sale General
Off-Sale General

Anyone desiring to protest the issuance of such license may file a verified protest with the Department of Alcoholic Beverage Control at Sacramento, California, stating grounds for denial as provided by law. The premises are now licensed for the sale of alcoholic beverages.

Harry L. Rosenberry, Trustee

GOVERNOR WARNS OF VEHICLE WRECKS

SACRAMENTO (CNS) — State officials and employes were warned today by Gov. Goodwin J. Knight that they should be more careful in avoiding accidents.

In a memorandum to all departments, the governor pointed out that the state should practice what it preaches, and exert greater efforts to cut employe injuries and state financial loss from motor vehicle accidents.

He pointed ou that in1954, 24 state employes were killed, and 2487 disabled; 40,808 man days were lost to disabling accidents; and that workmen's compensation benefits for 1954-55 were $1,491,000.

State vehicles were involved in 3945 accidents during 1954, the governor said and out of 2857 reported to the personnel board, 1221 "could have been prevented or avoided by careful driving by state operators."

Liability insurance for 1954-55 amounted to $417,000, the governor said.

"I have publicly stated that greater effort must be exerted at all levels of government to prevent industrial injuries and motor vehicle accidents," he said. "We in the state government are constantly urging the general public to work and drive safely and it is, of course, extremely necessary for us to set a suitable example by putting ou rown house in order."

35-Mile Speed Zone Is Extended West Of Here

Establishment of a speed limit of 45 miles an hour for a little over half a mile on U.S. Highway 40 in the vicinity of Donner Memorial State Park near Truckee, Nevada County, was announced today by the State Department of Public Works.

The new speed zone extends from west of the entrance to the State Park to an existing 35-mile zone into Truckee. Reduction of the speed from 55 miles an hour was recommended by State Highway Engineer G. T. McCoy following an engineering and traffic study by the Division of Highways.

The 45-mile limit will be effective with the posting of signs, probably within a week.

Which Came First, State Or County Of Nevada?

NEVADA CITY— Which was named first, the state of Nevada or Nevada County, Calif.?

Apparently Nevada county wants to claim the honor of first having the name. The Nevada County Historical Society has appointed a committee to dig into history and find out for sure.

Historical society officials pointed out that they don't want to start any hassle with Nevadans (Nevada state residents, that is) but they do want to get the matter settled once and for all.

Mexican Liquor Ruling Issued By State Officer

Sacramento —(CNS)— Attorney General Edmund G. Brown has ruled that passengers traveling by common carrier may bring up to one gallon of liquor purchased in Mexico or abroad into California wihout paying duty.

Brown said the ruling did not extend to passengers returning to California by private automobile.

The opinion was requested by State Senator Fred H. Kraft of San Diego.

NOTICE TO BIDDERS

Notice is hereby given that sealed bids will be received by the Governing Board of the Tahoe-Truckee Unified School District, Placer and Nevada Counties, California, at the office of the Superintendent of Schools, Truckee, California, on or before and no later than November 7, 1955, at 5 P.M., for the contract or contracts to supply gasoline for the school buses and other vehicles and equipment of the Tahoe-Truckee Unified School District in accordance with specifications on file in the office of the Superintendent of Schools.

The Governing Board reserves the right to reject any and all bids, in part or in total, to waive any irregularities, and to be the sole judge of the suitability of the product offered.

Bidders are required to submit complete specifications with prices for any and all products offered.

By order of the Governing Board of the Tahoe-Truckee Unified School District.

THINGS TO TALK ABOUT
BY FRANKLIN J. MEINE
Editor, American Peoples Encyclopedia
About four out of five Americans worked on farms a century ago; today, because of technical advances, only one out of seven persons is needed to produce our farm products.
THE "VOICE OF AMERICA" BROADCASTS AROUND THE GLOBE SEVEN DAYS A WEEK IN 38 LANGUAGES. SOVIET CONTROLLED PEOPLES RECEIVE 19 HOURS OF PROGRAMS DAILY.
Americans are placing more financial value on life. The average life insurance policy in 1954 totaled $3,700 compared to $2,100 in 1944 and $1,700 in 1940.

Attention Again Called To Changes In Laws For Auto Operators

Many motorists have failed to realize the changes in the vehicle code, according to Sgt. Ed Freeman, in charge of the California Highway Patrol's Truckee sub-station. "Despite extensive publicity given to the new and revised sections of the vehicle code, many motorists continue to drive in violation of these sections."

"Section 525.1 of the vehicle code," said Sergeant Freeman, "is particularly stressed in an effort to avoid the congestion caused by drivers who drive at reduced speed. This causes the motorists who drive more closely to the legal speed limit to take unnecessary chances in order to pass."

The code requires any vehicle driven on a highway, at less than the normal speed of traffic, to be driven in the right hand lane nearest the right curb or edge of the roadway, except when passing or preparing to make a left turn. This section primarily concerns the multiple lane highway.

In addition, section 514 of the vehicle code states that no person shall drive upon a highway at such a slow speed as to impede or block the normal and reasonable movement of traffic, except when such reduced speed is necessary for safe operation.

Hunting License Sales In State Set Record State Agency Says

SACRAMENTO —(CNS)— The state department of fish and game announced that hunting license sales for the first three months of the current fiscal year totaled $734,627, up 7.9 per cent over the same period last year.

Angling license sales for the first nine months of the calendar year were up five per cent, totaling $3,473,334.

Marin County produced more than a million dollars worth of mineral products in 1953.

From where I sit ... *by* Joe Marsh

Last Word in Farm Machinery

Curly Lawson was first in this area to use one of those roadside vending machines. He's sold milk and eggs in one about a year now, and recommends them highly—but with reservations.

"Mine's the latest model," says Curly. "Built-in refrigeration unit—heater—an automatic sign turner-on for night. Takes any combination of coins."

"However," he warned, "those machines aren't cheap to buy . . . or operate. They run about $3500. If you're not on the main highway like I am—where lots of city people pass—you'd better stick to the old methods."

From where I sit, you have to admire Curly for his pioneering spirit. Of course, there's also plenty to be said for those who tend to stick to the old proven methods. People's ideas differ on the subject—on *any* subject. Like you may always drink buttermilk with *your* meals . . . while a glass of beer's the "automatic" choice with *me*.

Mrs. Robert Rose Feted At Surprise Shower

Mrs. Robert Rose was complimented at a party and surprise shower given Friday evening by Mrs. Jack Pearce and Mrs. William Campbell, in the home of the latter.

A sugar stork centered the attractively decorated cake at the refreshment table, indicative of the theme and lovely gifts were presented the honoree.

Friends and relatives invited to the pleasant affair included Mesdames Dorothy Morhain, Virginia taylor, A. E. Burlingham, Stanley Zwarg, Gladys Quam, Herbert Copeland, Tony Ghirard, Louis Goicoa, Spencer Richards, Heslin Cardinal, Joe Mattos, Ralph Garcia, Norman Albee, A. Cozzalio, Mickey Williams, of Tahoe City and Truckee, Mrs. Ed Ulsheimer of San Francisco and Misses Dorene Quam, Georgia Knoff, Rogette Stinchfield, Lynette Young, Elaine Grant, Eleanore Dominquez.

Steer Goes On Rampage To Celebrate Halloween

A steer, apparently bent on his own trick or treat foray, Sunday night around midnight caused some official concern by his meanderings along Highway 40 east of Hirschdale and at least one car was wrecked by the lonely critter.

Constable N. F. Dolley was called out to investigate after a report was received the animal had been critically injured. The constable went to the scene well armed and bent on destroying the troublesome steer. He set out the required flares and cautiously approached the animal.

As he drew near, the steer arose and started down the highway with the officer in hot pursuit. Seeing it was a losing battle if he kept to the highway, the animal swerved off the road, mounted a steep embankment and was lost in the darkness.

So far as local officials are concerned the wandering steer is still wandering and as long as he stays off the highway they are not going to be too concerned.

Attend Party

TAHOE CITY— Mr. and Mrs. Joe Duffee of Sacramento motored up to be present at the fifth birthday party for their granddaughter, Denise Henrikson on October 23. The Duffees lived at Tahoe City for many years before going to Sacramento.

Possibility Of New Local Church Is Seen At Meet

Mr. and Mrs. William Carver and Mrs. Thelma Norris attended the dedication of Trinity Cathedral Church at Sacramento on October 23, with Rev. Noel Porter, summer Tahoe City resident, officiating.

Rev. Sale, dean of the Episcopal Church who worked for the new edifice, gave the first sermon. Carver said plans for a local church are being considered.

George Holt of Tahoe City has been undergoing medical treatment at the Tahoe Forest Hospital.

Committees For Tahoe Chamber Named At Meet

TAHOE CITY— On Wednesday, Oct. 26, a meeting of directors of the Lake Tahoe-Sierra Chamber of Commerce held at Harrah's Club at south Tahoe, was called to order at a luncheon by the new president Don Huff. Principle among items on the agenda was a report of the office committee on whether or not a public office should be maintained during the winter and the appointment of various committees for the ensuing year.

Fred Schultz and Herbert Obexer of the office committee recommended and their recommendation was accepted, to discontinue the public office, at least for the winter months, with secretary Myrtle Carnell operating in her apartment just above the office.

Committees appointed by the president were, advertising: George Kehlet, Mrs. Harriet Craven and Pete Bennett; Fish and Game: Bill Conners, Ralph Stanley, H. E. Brooks, Waldo Gross, and George Kehlet; Highways: George Cannon, Ray Nisley, Norman Celio, Walter Barrett and George Kehlet.

Senators Swift Berry and Harold Johnson were named honorary members.

Summer sports: Fred Main who will pick his assistants. Water problems: Will Bliss, Norman R. Mayfield and George Kehlet. Winter sports: Jack Starratt with assistants selected. Membership: Herbert obexer, chairman.

The directors voted to again sponsor the Mile High Gold Cup races next summer. The date and locale to be decided later.

As the meeting drew to a close, C. W. Vernon tendered his resignation as treasurer on the grounds he did not have the time to keep a fifth set of books. He had served two previous years. President Huff then appointed Norman Mayfield and George Kehlet to meet with Vernon to work out a plan by which one half of the membership dues can be set aside for advertising. Vernon agreed to stay on as treasurer until the next meeting in mid November.

FORMER BOY VISITS—
Mr. and Mrs. Ray Sabini of Reno visited local friends Saturday en route from a convention in the bay district.

STEVENSON GUESTS—
Mr. and Mrs. Omar Alexander and daughter, Patty of Citrus Heights were week end guests of Mrs. and Mrs. William Stevenson.

FROM SACRAMENTO—
Mr. and Mrs. Charles Walker, Howard and Charles Leamon of Sacramento and E. Gay of San Francisco were week end visitors with Mr. and Mrs. Robert Leamon.

FLEW TO NEW YORK—
Mrs. Dan Horman has returned to Donner Lake following her trip by airplane to New York where she attended the funeral services for her father J. L. Bass.

Awards Are Presented To Donner Girl Scouts

Awards were presented to members of Donner Troop, Girl Scouts, for their activities during the past year at the busy meeting held on Tuesday.

Steffi Cozzi received the second class badge, first year pin and cooking badge; drawing and painting badge; Pam Freeman, second class badge, drawing and painting badge, one year pin; Lois Freeman, drawing and painting badge, cooking badge; Judy Giovannoni, cook badge, two years pin; Ruth Parkhurst, Donna McReynolds, Pat Freeman received their one-year pins.

Besio's Apparel Shop and The Toggery have window displays during Girl Scout Week, showing the work that the girls have accomplished in the organization.

Visit Here—
Mr. and Mrs. Douglas Barrett and family were up during the weekend visiting with relatives and friends and attending the Halloween party at Smart's.

Drunk Sentenced

Pedro Benegas, employed by the Southern Pacific at Norden, was fined $400 with an alternative of serving 180 days in jail following his conviction on a drunk driving charge before Judge F. W. Wilson last week. He was arrested by State Patrolman William Gautsche.

ATTENDS CONFERENCE
Roy Baker, librarian of the Tahoe-Truckee Community Center Library, attended the closing banquet and program session of the California Library Association's convention in San Jose Friday evening. Saturday he journeyed to Carmel for a two-day assembly of California School Librarians. Returning home, Monday, he made stops in Berkeley and Sacramento to purchase books for the library.

LEAVE TAHOE VISTA—
The Frank Jones family have left Tahoe Vista to go to Inglewood.

GOES TO FOLSOM—
Mrs. Bob Euer who spent several months here, has returned to her Folsom home.

CITY VISITOR—
Mrs. Frank Quilici recently made a trip to San Francisco where she visited with relatives.

MAHNES LEAVE
Mr. and Mrs. Anton Mahne are leaving this week for their home at Sacramento.

VISITS FAMILY—
Mrs. Tony Ghirard has been visiting her son-in-law and daughter, Mr. and Mrs. Eugene Illardi at Sacramento.

Medical Treatment

MEET FOR FUN—
Mrs. Loren Russel and Mrs. Robert Leamon entertained a group of children in the home of the latter on Monday, the evening fun being climaxed with popping corn and serving refreshments, in the theme of the day.

Halloween Party

Dr. and Mrs. L. D. Nelson gave a Hallowe'en party, including 16 children entertaining for their son, Douglas.

The hours were spent in games of the holiday, followed by refreshments, the table decorated in the chosen motif.

Leaves Hospital—
After being a patient at the Tahoe Forest Hospital for several days, Mrs. Rex Reid has returned to her home.

Forestry Official Will Assist In 1960 Olympics

Winifred (Slim) Davis, assistant chief of the division of recreation and lands of the U. S. Forest Service was in this area Tuesday conferring with planners for the 1960 Winter Olympic Games at Squaw Valley. Davis will represent the forest service in planning the games from the standpoint of providing lands and cooperating with the various committees and commission.

Tarzan

by EDGAR RICE BURROUGHS

THE APE-MAN WAS SURPRISED TO LEARN THAT TAWNI HAD NO ARAB KINSHIP AND WAS IN REALITY ELEANOR BLAINE, DAUGHTER OF A FOREIGN LEGION OFFICER.

PATIENTLY NOW, WITH DEXTEROUS FINGERS, THE PRISONERS WORKED ON EACH OTHER'S BONDS. BY NIGHTFALL THEY HAD STRUGGLED FREE--

AND JUST IN TIME, FOR A PIERCING SCREAM OF TERROR SUDDENLY RESOUNDED THROUGHOUT THE VILLAGE!

THE TWO MEN GRIMLY RACED TO TAWNI'S TENT AND FOUND THE GIRL IN THE CLUTCHES OF A BRUTAL GUARD.

TARZAN RACED INTO THE TENT AND QUICKLY WRESTLED THE MAN TO THE GROUND. 11-6-1287

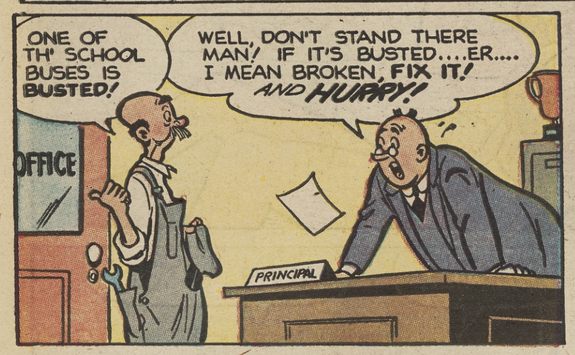
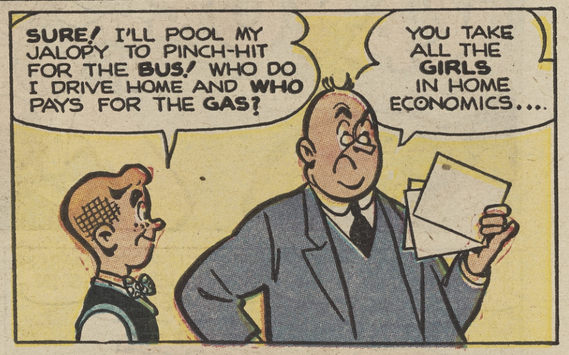
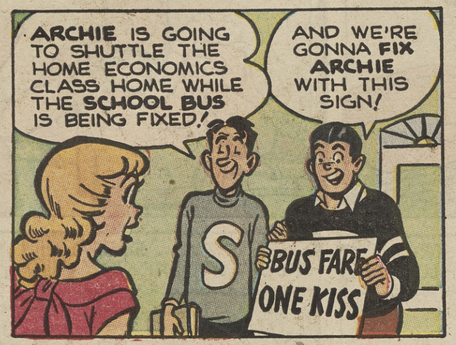
Archie

by BOB MONTANA

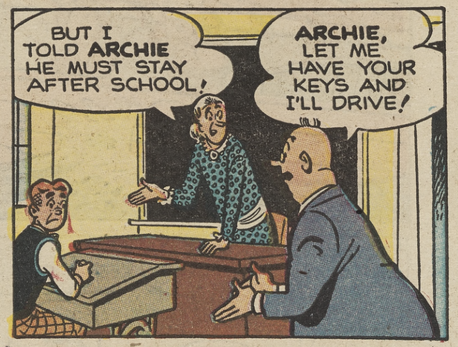


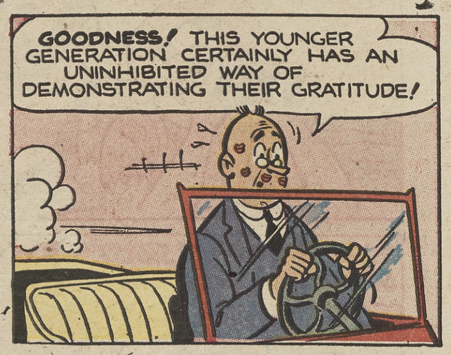


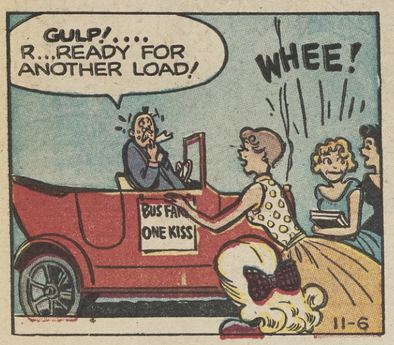
SURE! I'LL POOL MY JALOPY TO PINCH-HIT FOR THE BUS! WHO DO I DRIVE HOME AND WHO PAYS FOR THE GAS?
YOU TAKE ALL THE GIRLS IN HOME ECONOMICS....

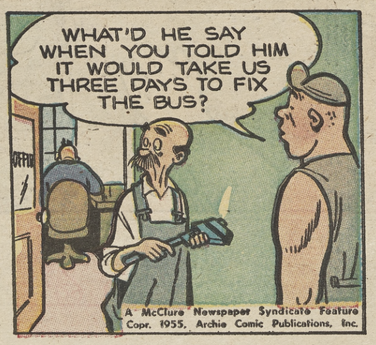


ARCHIE IS GOING TO SHUTTLE THE HOME ECONOMICS CLASS HOME WHILE THE SCHOOL BUS IS BEING FIXED!
AND WE'RE GONNA FIX ARCHIE WITH THIS SIGN!
S
BUS FARE ONE KISS









WHAT'D HE SAY WHEN YOU TOLD HIM IT WOULD TAKE US THREE DAYS TO FIX THE BUS?

CURLY KAYOE

by SAM LEFF-

I CAN'T WORK MY WAY FREE - I'M TRAPPED!

WHAT'S THAT, SIR? IT JUST BOBBED TO THE SURFACE!

IT'S A DISTRESS MARKER. MY DAUGHTER IS IN DANGER!!

I'M GOING AFTER HER!

GOOD LUCK, CURLY - TO BOTH OF YOU!

THEY'RE TAKING THEIR OWN SWEET TIME ABOUT FINDING THE LOOT, CAP'N SYKES!

SHUT UP, DODGER - AN' KEEP A SHARP LOOKOUT!

THERE SHE IS... SHE'S CAUGHT ON THAT PIPE!

GOOD GRIEF! THAT SHARK'S GOING STRAIGHT FOR HER!!

SAM LEFF-
